2018 Candies & Treats Free From the Top 8

Although nearly any food is capable of causing an allergic reaction, there are 8 foods that cause the majority of reactions. These foods include: peanut, tree nuts, milk, egg, wheat, soy, fish, and shellfish. Reasor's Registered Dietitian has created this list of candies free from these top 8 allergens to help serve our customers with special dietary needs. Our Registered Dietitian has compiled this list to the best of her knowledge to serve as a guide for your shopping. This list does not constitute as medical advice, and the products included are solely based on the information provided by the manufacturer. In addition, please be aware that ingredients in products may change time to time, so it is recommended that you verify by reading the product label and contacting the manufacturer before consuming a product. There is no guarantee of the absence of cross-contamination of any product. Thanks for shopping at Reasor's!
